Omkar Yelsange

Pune, Maharashtra | +91 9503626444 | omkaryelsange1010@gmail.com | LinkedIn | GitHub | Portfolio

Professional Summary

Data Analyst experienced in analyzing **cross-functional data** and producing operational reports using **SQL, Python, Power BI, and Excel**. Strengths include **data cleaning, exploratory data analysis, KPI reporting, trend analysis, and identifying process inefficiencies**. Demonstrated analytical work across **20,770 listings**, **20+ SQL queries**, and **15+ visualizations**, translating datasets into clear findings for operational and business analysis.

Technical Skills

SQL & Databases: SQL, PostgreSQL, MySQL, JOINs, CTEs, window functions, aggregations, subqueries, CASE WHEN
Python & Analytics: Python, Pandas, NumPy, Matplotlib, Seaborn, EDA, data cleaning, missing-value handling, outlier treatment, trend, correlation and anomaly analysis
BI & Reporting: Power BI, DAX, Power Query, KPI dashboards, time-series visualization, Excel, PivotTables, VLOOKUP
Cloud & Tools: AWS S3, AWS Glue, Amazon Athena, AWS DataBrew, ETL fundamentals, Jupyter Notebook, Git, GitHub, VS Code

Experience

Data Analyst **Jun 2026 – Sep 2026**
Autoline Industries Ltd. *Pune, Maharashtra*

- Processed and cleaned **2,000+ rows of operational data daily** across Production, Quality, Maintenance, Requirements, and R&D, resolving missing values and inconsistencies using Excel and Power BI across **5+ files weekly**.
- Prepared and updated **2+ reports daily** and **4+ reports weekly** to monitor operational trends, support cross-functional reporting, and identify data discrepancies and process gaps.
- Applied Kaizen principles to production workflows by analyzing operational reports, identifying process inefficiencies, and recommending improvements that contributed to reduced production time.

Project Management Intern **Nov 2025 – Dec 2025**
Lumax Cornaglia Auto Technologies Pvt. Ltd. *Pune, Maharashtra*

- Tracked milestones, deadlines, and project progress across **2+ projects**, preparing **4+ reports** to communicate status, document follow-up actions, and support project coordination.
- Coordinated with **2 on-site clients** to clarify project requirements, track deadlines, and follow up on development improvements, supporting stakeholder alignment and project delivery.

Projects

Machine Monitoring Analytics Dashboard | *SQL, Power BI, Excel, Python* GitHub

- Analyzed **4,000+ rows** of temperature and vibration data collected over a **9-hour period**, using Python and SQL to examine operating trends and develop machine-monitoring visualizations.
- Developed a Power BI dashboard with KPI cards and time-series visualizations to monitor equipment behavior and shift performance, streamlining manual reporting through dashboard-based analysis.

Airbnb NYC EDA & Market Analysis | *Python, Pandas, NumPy, Seaborn* GitHub

- Cleaned and analyzed **20,770 listings across 22 attributes**, handling missing values and outliers and validating data types for exploratory market analysis.
- Created **15+ visualizations** to investigate pricing and availability patterns, identify a Manhattan price premium, and examine relationships between listing characteristics and price.

Zepto SQL Inventory & E-commerce Analytics | *PostgreSQL, Power BI, Excel* GitHub

- Developed a PostgreSQL analysis workflow for **1,500+ products**, examining pricing, discounts, stock availability, and category-level performance for inventory reporting.
- Wrote **20+ SQL queries** using aggregations, CASE WHEN, GROUP BY, and subqueries to answer **15+ business questions**, identifying high-discount SKUs and stock-out patterns for an Excel KPI report.

Education

B.E. in Robotics & Automation **Jun 2022 – May 2026**
D Y Patil College of Engineering, Akurdi, Pune CGPA: **8.90/10**

Certifications & Achievements

- **Deloitte (Forage):** Data Analytics Job Simulation (2025); **IBM:** Prompt Engineering for Generative AI (2024).
- **Research Publication:** Published research on the Smart Abrasive Monitoring System (SAMS) at the International Conference on Cybertech and Smart Systems.
- **Awards:** Utkarsh National Robotics **1st Runner-Up** (2024); DIPEX 2025 **Best Innovation Award/Finalist** among **100+ teams**.
- **Leadership:** SARA Coordinator; supported technical workshops for **50+ students** (2023–2025).
